

## Discipleship Self-Evaluation

This project is a self-test to see where you are now as a follower of Jesus. There are no right or wrong answers to this test. Your answer to each question is what you feel about your discipleship. It is a test to help you see where you are now, not where you think you should be, or would like to be in the future. So be as honest with yourself as you can without over-rating or under-rating yourself.

- Read each statement and put a mark in the column that you judge to be most true of you.

	Certain	Fairly Sure	Think so	Not sure	No
<b>1. Response to Christ's call</b>					
• I believe Jesus is the 'Son of God,' that He died for me, rose again and there is no other way to God except through Him.					
• I have answered Christ's call to "repent and believe", and know my sins have been forgiven.					
• There is a definite time when I asked Jesus to come into my life as Savior and Lord.					
• I have followed Jesus through the waters of baptism.					
	Always	Usually	Sometimes	Seldom	Never
<b>2. Spiritual Growth</b>					
• I set aside time each day to be alone with God in prayer, Bible reading and meditation.					
• My times include praise, adoration, worship, thanksgiving, confession, praying for others, and for God's work.					
• I also practice speaking with God throughout the day.					
• As well as daily Bible reading I spend at least one hour per week in serious Bible study.					
• Over the past year I have memorized a verse of Scripture each week.					
<b>3. Lordship of Christ</b>					
• I let Christ's control come over what I read, hear, watch and think about.					
• I submit my body to Christ's control in what I eat, in self-discipline and exercise, and in keeping morally pure.					
• I clearly show to those I live and work with my Christian commitment by my words, attitudes and actions.					
• I am more concerned to win God's approval in what I do than to win the approval of others.					
• The fruit of the Spirit (love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control) is clearly seen in my life.					
<b>4. Fellowship</b>					
• I meet at least weekly with other Christians for all of the following – worship, teaching, ministry, prayer and fellowship.					
• I am sharing and relating each week with a small group of Christians for mutual encouragement, up-building and support.					
• As far as it depends upon me I try to live in harmony and unity with other Christians demonstrating the qualities of love, acceptance and forgiveness.

<b>5. Service</b>						
• I take active part in the life and ministries of my church.						
• I am using the spiritual gifts God has given me to build others up.

Score:	Comments:					
0-24	Your following is very weak at present. Perhaps you are a new Christian or have not yet really started. Are you prepared to clearly answer Jesus' call and become His disciple?					
25-49	You have made a beginning in some areas, but your following is still loose and distant. Jesus is calling you to follow Him more closely.					
50-74	You have made some good progress as a follower of Jesus. But don't become a half-hearted follower. There is much more growing for you in some important areas of discipleship.					
75-100	You are well on the way as a follower of Jesus, but keep on going! There are still important steps ahead for you.					

This test is for your own personal benefit and not for comparing yourself with anyone else. It will help show you areas where you need to grow or obey Jesus more fully.

What do you think Jesus might be saying to you through the questionnaire you have completed? In what areas do you need to do more growing? \_\_\_\_\_
